

ENRICHMENT FUND SCHOLARSHIP APPLICATION
PARENT/GUARDIAN FORM

The purpose of the Enrichment Fund Scholarship Program is to provide financial assistance to Guilford County School students who have financial needs that prevent them from participating in enrichment activities. We provide scholarships based on financial need.

Guidelines

1. Students enrolled in grades K-12 are eligible to apply.
2. Seniors are not eligible for scholarships for programs occurring after graduation.
3. Students may request up to 50% of the per-person cost (up to \$100) for a field trip, though priority will be given to students with the greatest demonstrated financial need.
4. Barring extraordinary circumstances, applications from students with an annual family income of more than \$20,000 will not be considered. Please note that families making less than \$20,000 are not guaranteed funding.
5. Scholarships for group field trips are only available for destinations within North Carolina plus Washington, D.C.
6. Any questions should be e-mailed to scholarships@enrichmentfund.org.

The applicant's parent or guardian must provide the following information and return this form to the teacher or other school personnel in charge of the field trip. **THE ENTIRE FORM MUST BE FILLED OUT COMPLETELY** and submitted with all other parent verification forms before the student's application can be considered.
